April 20, 1999

Sir:

Responsive to the Office Action dated October 20, 1998, please amend the application as follows.

**RECEIVED**

IN THE CLAIMS:

APR 28 1999

**Group 3700**

*① Pub 6/7*  
5. (Twice Amended) A recuperative heat exchanger for the exchange of heat across a plurality of heat transferring [plate] planar elements between a first fluid medium and a second fluid medium, said fluid mediums flowing in opposite directions to each other on opposite sides of said [plate] planar elements, said heat exchanger comprising:

a [generally rectangular] casing for containing a heat [transferring] transfer package therein, said casing having a top end, a bottom end, a pair of respective lengthwise
